### Treasure Coast Proclaims Waterway Cleanup Week

**Stuart, FL – (July 17, 2010)** — The Treasure Coast has proclaimed July 19-25<sup>th</sup> as Waterway Cleanup Week. The counties of Martin, St. Lucie and Indian River, along with the municipalities of Stuart, Port Saint Lucie, Fort Pierce, Vero Beach and Sebastian have all recognized the efforts of the Marine Industries Association of the Treasure Coast (MIATC) and its 1000 plus volunteers to keep our waterways clean.

“There are several Coastal Cleanups that take place throughout the Treasure Coast which are vital to the health of our beaches and shore line. However this cleanup specifically concentrates on the waterways, spoil islands and area canals”, says Dean Kubitschek, Harbor Master at the Fort Pierce City Marina and St. Lucie County Coordinator for this years cleanup event. “This is our chance to involve the entire Treasure Coast community in an industry that is vital to our economic well being. We get to give back and educate folks on the importance of keeping our waterways clean.”

This years volunteers will receive an event t-shirt, discounts to the Smithsonian Marine Ecosystem Exhibit and the Florida Oceanographic Society and will be recognized at a BBQ on August 8<sup>th</sup> that will take place at the Fort Pierce Yacht Club. Boaters will also receive a commemorative flag to fly and a mini recycle bin to keep onboard year round. It's not to late to register, just go to [www.TCWaterwayCleanup.com](http://www.TCWaterwayCleanup.com) or show up at one of our designated sites on the Treasure Coast on July 24<sup>th</sup>, the day of the cleanup. The event runs from 8:00am-12:30pm.
