

Dear Treasure Coast Business,

Join our team, Saturday, July 16th - Sunday, July 24th, as the Marine Industries Association of the Treasure Coast in conjunction with the Florida Inland Navigation District conducts the 15th Annual Treasure Coast Waterway Cleanup. This cleanup effort will combine both the weeklong "self-reporting" effort and the live event. We will be opening our traditional clean-up sites throughout the Treasure Coast on Saturday, July 23rd, 2022.

This event typically attracts more than 1,000 volunteers who will participate in cleaning up the waterways of Martin, St. Lucie and Indian River Counties. Last year we collected and recorded 3.87 tons of trash from approximately 125 miles of waterways. Since 2008, we have engaged more than 12,260 volunteers to remove 95.45 tons of trash.

Your support for this project will help to make our waterways a better place to boat with your friends and family. The funds we collect pay to market the event, provide supplies to our volunteers as well as, some great perks to show our volunteers how much their efforts are appreciated. Please be a sponsor and/or assemble a cleanup team. All participation is welcomed and appreciated. Your support is more important than ever before.

Please review the attached sponsorship information. If you have any questions, suggestions or ideas please contact Valerie or me by phone or e-mail. We look forward to hearing from you and stay safe.

Sincerely,

April Price, Event Coordinator
(772) 285-1646

Valerie Lindh, (772) 486-6460
